

# UZBEKISTAN

is open for tourists!

For a comfortable trip please pay attention to the **rules for visiting Uzbekistan during the pandemic**

## ENTRY REQUIREMENTS

### FOR TOURISTS

**1** Negative PCR test for COVID-19 (**certificate**) issued at most 72 hours before departure. Passenger will not be allowed on board from the city of departure without certificate

**2** **Medical insurance** covering the costs of COVID-19 treatment as well

**3** **Travel voucher from our Company** confirming the tourist is traveling as part of a group

**Upon arrival in Uzbekistan express test for COVID-19 is mandatory at the airport. The procedure looks like this:**

- ✓ In front of the passport control there is a **medical cordon**, which takes an analysis from the arriving passenger and issues a special sticker with a QR code.
- ✓ While the analysis is being prepared, the passenger should go through passport control and get the luggage.
- ✓ **Passport control** checks a voucher from the host company and a valid PCR test.
- ✓ After receiving the luggage passenger have to **pay for an express test**. The test cost is 150,000 Uzbek soums (~15 USD), payment is made in the national currency. Exchange offices in arrivals area are open around the clock. There are also ATMs where cash in national currency can be withdrawn.
- ✓ By the time passenger receives the luggage and completes the payment for express test, result will be ready. Study takes about 15-20 minutes.
- ✓ When leaving the terminal passenger checks the QR code, which determines **result of the express test**.
- ✓ **If test result is negative passenger passes control**, leaves the airport and begins our part of the service. The entire process from the airstairs to the airport exit takes about 45-50 minutes.
- ✓ **If test result is positive** passenger is placed in quarantine and then sent to the clinic for treatment. In this case the passenger's medical insurance will be used.
